SHANE C. WILLIAMS, MSCS, BSIT, CISSP, CCSP

Enterprise Information Systems Security Manager (ISSM) | GS-2210-14

Department of War (DoW) – Defense Logistics Agency (DLA)

Phone: 571-202-4674 • Email: shane.williams@dla.mil • Portfolio: www.shanecwilliams.com

Clearance: TOP SECRET (Active: SECRET) | Citizenship: U.S. Citizen | Veteran Status: U.S. Air Force

EXECUTIVE SUMMARY & FEDERAL QUALIFICATIONS

Results-driven Enterprise Information Systems Security Manager (ISSM) and GS-14 cybersecurity leader with 12+ years of federal civilian service at the Department of War – Defense Logistics Agency (DLA), 10+ years of contracting support with DLA, and 25+ years of total Information Technology and Information Assurance experience. Proven subject matter expert in Governance, Risk, and Compliance (GRC), DoW Risk Management Framework (RMF), Zero Trust architecture, and cloud Authorization & Accreditation (A&A) across multi-cloud (OCI, GCP) and DISA enterprise hosting environments. Holds a Master of Science in Cyber Security (MSCS) from Liberty University, a Bachelor of Science in Information Technology (BSIT) from Capella University, and active ISC² CISSP and CCSP certifications.

CORE COMPETENCIES & TECHNICAL EXPERTISE

Governance, Risk & Compliance: DoW RMF (DoDI 8510.01), NIST SP 800-53 / CSF, DoDI 8500.01, Zero Trust Architecture, IATC/ATC Issuance, POA&M Management, Continuous Monitoring (ConMon), FISMA Compliance, Front Door & Enterprise Change Management. **Cloud & Enterprise Security:** DISA MilCloud OKC, Oracle Cloud Infrastructure (OCI - DOEE), Google Cloud Platform (GCP - DGEE), Enterprise Data Centers (EDC/DECC Ogden), Enterprise Telecommunications Network (ETN), DEINS-O-E (OCONUS-East), HIDS/NIDS, Incident Response & Forensics. **Program & Technical Leadership:** Federal IT Acquisition & Requirements Management, SLA/SLO Governance, COOP/DR Planning, Contractor Oversight, Cross-Agency Alignment (DLA J611B / J64 / DISA).

PROFESSIONAL EXPERIENCE

Enterprise Information Systems Security Manager (ISSM) — Department of War – Defense Logistics Agency (DLA), J611B CyberSecurity Program Management Assurance

June 2014 – Present | GS-2210-14 (40+ hrs/wk) | 8725 John J. Kingman Hwy, Fort Belvoir, VA

Supervisors: Mike Dayhoff, DLA Supervisory ISSM, J611BB Chief (717-395-7218; michael.dayhoff@dla.mil)

- Direct enterprise cybersecurity governance, RMF compliance, and Authorization & Accreditation (A&A) across critical DLA infrastructure enclaves, including DISA MilCloud OKC, DECC Ogden (DOE), Enterprise Test Center (ETC), DEINS-O-E (Europe/Africa/Middle East), Enterprise Telecommunications Network (ETN), DLA OCI Enterprise Enclave (DOEE), and DLA GCP Enterprise Enclaves (DGEE).
- Lead cloud security architecture, boundary protection, and A&A transition efforts from legacy DIACAP to RMF and Zero Trust-aligned multi-cloud hosting environments, enforcing IATC/ATC policies and operational security baselines.
- Oversee agency-wide Information Assurance operations including HIDS/NIDS monitoring, firewall governance, incident management, digital forensics investigations, and enterprise vulnerability remediation across classified and unclassified enclaves.
- Serve as primary technical advisor to Program Managers on cybersecurity acquisition requirements, SLA/SLO performance metrics, COOP/Disaster Recovery planning, and network engineering integration.
- Develop, interpret, and enforce DLA cybersecurity policies, standard operating procedures, and continuous monitoring controls to sustain audit readiness and mission assurance.

Information Assurance Manager / CyberSecurity Engineer — PSS, Inc. (Contracted to Department of War – Defense Logistics Agency)
September 2005 – May 2014 | 40+ hrs/wk | 1495 Old Gallows Rd, Suite 450, Vienna, VA (Work Site: Ft. Belvoir, VA)
Contacts: Angelika 'Holly' Daviston, DLA IAM (Ret.) (919-498-3053) | David Atkins, Technical Lead/PM (804-519-8686)

- Managed Information Assurance oversight and Certification & Accreditation (C&A) for the DLA Enterprise Data Center (EDC) and initial/sustainment migration activities for the DLA Ogden Enclave (DOE) hosted at DISA DECC.
- Served as DLA J64 CyberSecurity Engineering Subject Matter Expert (SME) supporting enterprise applications hosted in DISA environments across Risk Management Assessments, Front Door Process reviews, and Enterprise Change Management.
- Conducted contractor security compliance audits, identified architectural security gaps, and authored network/IA policies, SLA/SLO benchmarks, and COOP/DR plans for mission-critical hosting environments.

Earlier Technical, Leadership & Military Experience (1987 – 2005) — PSINet Liquidating LLC | PSINet, Inc. | Valley Medical Transport | National Technologies Associates | United States Air Force
Full-Time Roles | Maryland, Virginia & Loring AFB, ME

- Sr. Network Engineering Consultant, PSINet Liquidating LLC (2002-2005): Architected and managed a leased-asset database tracking 100,000+ network assets valued at over $650M across 20 lessors; supported financial and logistics lease settlements saving over $300M and generated $2M+ directing corporate asset liquidation.
- Field Service / Network Engineer, PSINet, Inc. (1999–2002): Designed, deployed, and maintained enterprise WAN/LAN/SAN infrastructure, Nortel OC-192 fiber backbones, Windows NT/2000 servers, and gigabit Ethernet for a global internet service provider (ISP).
- Paramedic Supervisor & Team Leader, Valley Medical Transport (1994–1999): Directed branch operations, scheduling, and performance evaluations for a 7-person ALS emergency transport unit.
- Junior Logistics Manager, National Technologies Associates (1992–1994): Maintained SECRET clearance while compiling V-22 developmental aircraft reliability/maintainability analytics for improvement of maintenance practices for NAVAIR.
- Sergeant, Bombing Navigation Systems Supervisor (45150), U.S. Air Force / 42nd OMS (1987–1991): Led a 6-person maintenance team supporting 18 B-52G bombers during Operation Desert Shield/Storm; maintained radar, electro-optical, and offensive avionics systems (SECRET clearance).

EDUCATION, CERTIFICATIONS & AWARDS

Degrees: Master of Science in Cyber Security (MSCS) — Liberty University, 2022, Suma Cum Laude | Bachelor of Science in Information Technology (BSIT) — Capella University, 2018, With Honors
Additional Education: Paramedic Certification, George Washington University (1992) | Avionics Electronics Program, Community College of the Air Force (1991)
Certifications: Certified Information Systems Security Professional (CISSP) — (ISC)² Member ID: 350496 (Active since 2009) | Certified Cloud Security Professional (CCSP) — (ISC)² Member ID: 350496 (Active since 2016)
Federal & Military Awards: DoW Outstanding Employee Award (2026) | DLA Humanitarian Award (2015) | National Defense Service Medal (1991) | USAF Good Conduct Medal (1990) | Air Force Outstanding Unit Award (1989)
